B.C. simulates 14 BlueStacks for Macs and PCs, and maintains control over 14 games to double their harvest from real producers and increase profits! Grow wheat, cane, corn or other products for sale in a dynamic market for the best deals! Mow the grass and often produce lawsuits to breed cows and their animals. Your milk, the growth of new sales, needs a lot of assistants and if you really don't want to run your own farm. If it was ever your dream, then it's time for you to reach out. Play 14 rizee on PC BlueStacks and live a real agricultural life, but if you forget to do so, you can easily pack your products and benefits and complete the day. Okay, we're not complaining, are we? Features: - The new 3D is very detailed for the next level of graphics for your smooth surface gaming experience - Play a new local player mode for WiFi and Bluetooth with free roaming world mode - Grow wheat, cane or corn and sell dynamic markets - Mow the lawn, Tedder and sell their milk to those who pay the highest price - Feed the cows- Hay or straw to make money for bio-gas plants - Hire computer-controlled assistants to help you with your work. It's very simple. You can exit a slider between different parts of a series of buttons at the bottom of the screen and control how quickly they move the device. Another slider allows you to change direction. You can tap the control button on the steering wheel, but Bimble comes out like a car or when you have to track it to perform fuel shots. This is a strange charm of the game, but the regular cut and repetition at its center isn't really interesting and there's only one local player mode, so what you can hone is put friends aside. Previous versions. It gets worse, sim and simpler, which means you'll never be as good as here. Except when it comes to changing tractors. In addition to sophisticated shapes and sensations, you have 14 agricultural simulations, you have tools for agricultural producers that actually include control of some agricultural machinery, although all the evidence is against Case lh, Deutz- Fahr Dual Model, Lamborghini, Kuhn, Amazone and Cron. Cron.
